REPAIR LOCATION: CITY: RESIDENT'S NAME: OWNER NAME: BONDED CONTRACTOR: CONTRACTOR PHONE: ANTICIPATED REPAIR DATE: DESCRIPTION:

Required: Non-shear coupling, CA7 class 1A stone, SDR 26 D-3034 pipe (If within 10' of water service, D-2241 pipe) *Liners shall be cured in place pipe (C.I.P.P.) using inversion method only. DVD required before permit and after.

For the purpose of procuring said permit the undersigned does hereby represent, covenant and agree to and with the Fox Metro Water Reclamation District as follows:

That all work to be done pursuant to the permit herein applied for shall be in strict conformity with all ordinances and regulations of the District now in force with the description of the work herein contained and the plans and specifications, if any for work hereunto attached.

That the applicant shall restore all sewers, appurtenances, streets, alleys, sidewalks, pavements and / or other structures disturbed by the work to as good condition as the same existed at the at the time of commencement of said work and in accordance with the ordinances, regulations and easements of Fox Metro Water Reclamation District and any other municipality within the corporate limits of which said work is done.

That applicant shall indemnify and save harmless the District from any and all loss, cost, damage, and expense which may come to the District by reason of or in any manner growing out of or connected with said work, including any and all liability for and on account of any accident or accidents, injury, death, damage or damages caused or in any manner arising from or growing out of or connected with said work.

That in case of any suit, action or proceeding against the District for damages or on account of any liability or claim arising from, growing out of or in any way growing out of or in any way connected with said work, applicant shall, on demand of the District, enter his or its appearance therein, defend the same and pay all the costs, attorney's fees, solicitor's fees and expense thereof and the amount of any and all final judgments, decrees, and/or awards against the District entered or made therein.

As a condition for the issuance of this permit, PERMITTEE shall file with the FOX METRO WATER RECLAMATION DISTRICT a License and Permit Bond in the sum of \$25,000 issued by an acceptable insurance company, conditioned upon the workmanlike and satisfactory performance and any repair work done by the Permittee for any connection to the Fox Metro Water RECLAMATION DISTRICT sewer system.

It is agreed and understood that this work must meet or exceed District specifications, and all work must be inspected by a representative of Fox Metro W.R.D. prior to backfill. Applicant agrees to notify the District at least twenty-four hours prior to the commencement of the work to be done. Owner may perform work on private property. Work in the public right of way must be performed by a bonded contractor.
